

Remarks

Claims 27 to 29, 31 to 40 , 42 and 44 are in this application.

Note is made of the request for section headings. However, there is no Statute or Rule that requires the use of section headings. In any event, the format suggested in 37 CFR 1.77 has been followed without the use of headings.

Claim 27 has been amended to include the recitations of claim 30 and is believed to be allowable as indicated.

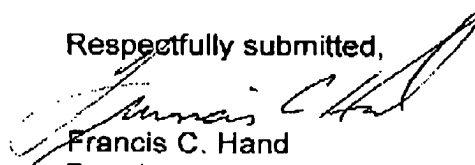

Claims 28, 29 and 31 to 40 depend from claim 27 and are believed to be allowable for similar reasons.

Claim 42 has been amended to include the recitations of claim 43 and is believed to be allowable as indicated.

Claim 44 is rewritten in independent form from claim 31 and is believed to be allowable as indicated.

The application is believed to be in obvious condition for allowance and such is respectfully requested.

Respectfully submitted,

Francis C. Hand
